ABOUT THE COURSE: 2024

Qualification Fee: R11 000 includes kit (compulsory products).
You must be a qualified Micro Needling Therapist in order to do this course.

The natural no make-up look!

This is a sister system to Micro Needling. Our Nano heads create the perfect, even, natural look while providing the skin with premier class anti-ageing ingredients.

- The serums come in three different colours that can be mixed to provide the perfect shade. High and Low Molecular Hyaluronic Acids, combined with Persian Silk Tree Extracts give your skin a smooth radiant result.

COURSE CONTENT

1. Dermatology and Hygiene
2. The various types of micro needling treatments we offer
3. Explanations of the products in the kit & why we use it
4. Method of Treatment
5. Contra indications
6. Customer Consultation
7. Sales & Aftercare Marketing

COURSE LAYOUT
