LCN Wilde-Pedique & BS Brace System

In this course you will be introduced to the beauty industry's only anti-mycotic light curing pedicure resin. Pedique is a means to cosmetically restore and reconstruct problematic toenails while providing a beautiful appearance.

About LCN Wilde-Pedique Silver plus

A totally unique system specifically for toenails with an anti-fungal agent. It is highly flexible, easy to model, long lasting and available in 6 shades. The active ingredient, micro silver, gives this special system an additional anti-mycotic protective quality.

BS Brace System

The system is used for the treatment of ingrown toenails.

Advantages of the Braces:

- Immediate relief
- Extremely flat design
- No sense of pressure when wearing shoes or physical exercise.
- Cosmetic design
- Water resistant
