For students with no knowledge of nail extensions, using our best-selling gel, Super Gel, for fabulously strong overlays. Soft Gel Polish "Recolution" as well as Manicures are also included in this course.

About LCN UV Gels

LCN Resins have been market leaders for 35 years. Manufactured in Germany to European Council regulations, the quality of our product range is assured. LCN Super Gel is a hard gel with an innovative 3 in 1 bonding, sculpting & sealing system. LCN also has Recolution (nail polish gel), for manicures or soft gel clients. The products are an acid and solvent free gel with micro-fibre particles to ensure stability. LCN Resins are easy to use, making it the perfect product to start your new career with and ensuring excellence from start to finish catering for every customer's need.
